

PC Desk Mount

A CPU THAT MOVES WITH YOU

The PC Desk Mount provides adjustable yet secure storage, freeing up valuable surface space, improving cable management, and protecting hardware from potential damage.

MODERN DESIGN FOR THE TECH-SAVVY

The modern, minimalist design of the PC Desk Mount fits perfectly into any workspace décor.

ADAPTS TO FIT YOUR NEEDS

In addition to being both height- and width-adjustable, the PC Desk Mount can be installed on either the right or left side of the desk.

EXTENSIVE COMPATIBILITY

Designed to work with a wide array of Vari products, including the Ergo 54x26, the 48x30, 60x30, and 72x30 ESDs (both classic edge and ComfortEdge), both L-Shape ESD sizes, and the Table 60x30.
