

# Balance Stool

vari®

## Active Comfort That Moves With You

The rounded base supports gentle rocking and pivoting to engage your core, promote circulation, and reduce fatigue from static sitting.

## Flexible Support for Any Workday

With smooth height adjustability and a compact footprint, this stool adapts easily from seated to perching positions and fits seamlessly wherever work happens.

## PRODUCT HIGHLIGHTS

- **Rounded Base** — Encourages natural movement with gentle rocking, tilting, and pivoting to engage your core and support better posture.
- **360° Swivel Seat** — Rotate freely without repositioning, making movement effortless throughout the day.
- **Easy Height Adjustment** — Pneumatic lift supports a full range of postures, from seated to perching.
- **Weight Capacity** - 275 lb (124.74 kg)
- **Rubber Grip** — Non-slip rubber base provides secure footing and helps prevent sliding.
- **Compact, Flexible Footprint** — Slim profile fits easily under desks and in tight spaces, ideal for home or corporate offices.
- **Active Comfort for All-Day Use** — Subtle movement promotes circulation and reduces fatigue from static sitting.
- **Durable, Daily-Use Construction** — Built with a high-quality gas lift, sturdy frame, and professional-grade materials.
- **Modern, Minimal Aesthetic** — Clean lines and neutral finishes (Black/Grey or White/Tan) complement nearly any workspace.
- **Tested to BIFMA X5.1** and Meets or Exceeds BIFMA's Durability Standards for Office Furniture
