Electric Standing Desks

vari®

Vari electric standing desks make it easy to go from sitting down to standing up throughout the day. Research shows that standing can help increase productivity, boost mood, improve health, and decrease back pain. Our easy-to-assemble and even easier-to-use sit-stand workstations can help you get more done and feel better doing it.

SHARED FEATURES

- 4 Programmable Memory Settings
- 3-Stage Powder-Coated Steel T-Style Legs
- Industry-Leading Height Range (25" to 50 ½")
- 1 ¼" Single Piece Desk Top with Easy-to-Clean, Seamless Laminate Finish that Simulates Hardwood

- Solid 1-Piece Frame Pre-Installed for Quick Assembly
- Drop-Stop Safety Sensor Detects Items Under Your Desk and Immediately Freezes Motion to Prevent Damage
- Lifetime Warranty
- Country of Origin: Taiwan

MATERIALS, CARE, AND CLEANING

DESKTOPS — MDF + LAMINATE

We use only the highest-quality medium-density fiberboard (MDF) wrapped with top-grade, heavy-duty laminate, providing a durable, splinter-free work surface. The laminate's luxe surface texture makes it resistant to scratches. The Reclaimed Wood finish has a slightly more pronounced texture than the others, in keeping with its more natural, wood-look character.
   To clean, wipe with water and a mild soap, then dry the surface immediately with a clean, soft cloth. Non-abrasive cleaners, such as alcohol-based wipes, can be used to disinfect the surface. Bleach and abrasive cleaners can discolor or mar the surface, so use sparingly.

LEGS — POWDER-COATED STEEL

For a light cleaning, wash with a solution of mild soap and water applied with a cloth or sponge. Rinse with clear water, then dry with a lint-free cloth or chamois.
