

VariDesk® Premier Monitor Mount

DOUBLE MONITORS, SINGLE SOLUTION

The VariDesk® Premier Monitor Mount integrates seamlessly with the VariDesk Premier Electric Single-Monitor, allowing you to double the monitors used without purchasing an entirely new converter.

ADJUSTABLE TO SUIT YOUR PERSONAL PREFERENCES

Position the monitors on the crossbar mounting bracket according to your monitor size and personal preferences. The monitor brackets allow you to adjust the lateral and vertical tilt of your monitors, as well as rotating them from a horizontal to vertical orientation.

- Includes VESA Compatible (75mm x 75mm and 100mm x 100mm) Monitor Brackets for Compatibility with Most Monitors
- Dual-Monitor Crossbar Mounting Bracket Attaches to Column in Minutes with All Tools Provided
- Monitor Brackets Attach to Dual-Monitor Crossbar Mounting Bracket with No Tools Needed
- 4 Monitor Height Options, Fitting Monitors up to 27" (26" when Rotated Vertically)
- 20 lb Weight Capacity per Bracket
