

# Acrylic Privacy Panel 48

vari®

This panel helps you create partitioned or separate workspaces. Easily attached to the 48-inch wide desks and tables, these panels help define single workstations and create a more private working environment, while still allowing for an open feel.

- Durable Acrylic with a Frosted Finish
- Works seamlessly with 48-inch wide desks and tables
- Easily Attaches with Included Clamps – No Tools Required
- Max Clamp Width: 1.25" (3 cm)
