

Acrylic Privacy Panel 24

vari®

This panel helps you create partitioned or separate workspaces. Easy to attach, this panel works well with the Vari® Electric Standing Desk 60x24, Table 48x24, or Table 60x24. Use to define single workspaces and create a more private working environment, while still allowing for an open-office feel.

- Works Seamlessly with 24"-Deep Desks and Tables
- Durable Acrylic with a Frosted Finish
- Easily Attaches to Desk or Table with Included Clamps — No Tools Required
- Fits Surfaces with a Thickness of ½" to 1¼" (1.5 to 3 cm)
