

Vari® ComfortFlex Office Chair

vari®

WE'VE GOT YOUR BACK

With an advanced spinal support system, the Vari ComfortFlex Office Chair helps ease lower back pain, muscle fatigue, and posture issues for lasting comfort.

WORK HARD, LOUNGE HARDER

Designed for both work and relaxation, the Vari ComfortFlex Office Chair adapts to your comfort with premium adjustments in height, armrests, seat depth, and lumbar support.

RETRACT, KICK-BACK, RELAX

With retractable footrest and reclining positions, it's easy to shift from productivity to relaxation—perfect for all-day comfort.

- Ergonomically Designed to Encourage Natural Movement and Maintain Next-Level Comfort
- Contoured Lumbar Backrest Adapts to Your Movement for All-Day Lower Back Support
- Retractable Footrest for Enhanced Comfort
- Chair Tilts Between 96° and 116° and Can Be Locked at the 96°, 106°, or 116° Position
- Additional Adjustments Include Chair Height, Armrests, Seat Depth, Headrest Height and Tilt, Backrest Height, and Lumbar Support Strength
- Tested to BIFMA X5.1-2017 and Meets or Exceeds BIFMA's Durability Standards for Office Furniture
- Supports up to 300 lb (136.08 kg)
