## Introduction

We focus on helping educational institutions create the ideal learning environment with the right furniture. From walls to tables and seating, Vari® can help you increase student productivity and learning with our research-backed educational products.

**Not only do we help educational institutions maximize their space, our products help improve learning.**

## **Products**

- Movable walls
- Sit-stand desks and converters
- Desks and tables
- Conference and classroom seating
- Standing mats
- Monitor arms and power hubs
- Marker boards
- Storage

## Affordable

Our products are priced to be affordable, yet they are built to last.

## Flexible

Our products are easy to rearrange as needs or spaces change.

## Free Space Planning

Get the free space plan you need to get your project started.

## Fast

From call to install, we'll have your new furniture installed in as few as 28 days.

## Built-to-Last

Our products meet the highest quality standards, providing a long life.

## Simple to Order

Work with a single point of contact to get your entire project completed.

# The Vari Advantage

# Learning Spaces

## K-12

Sized for students in grade school, our sit-stand desks promote movement and productivity, both of which are proven to improve learning.

# Higher Education

From walls to desks and seating, Vari has the furniture you need to create the ideal learning environment, no matter where students are on campus.

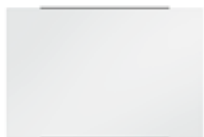

**"More focus + better behavior  
= happier teachers and students!"**

Southwest Texas Principal

# Administrative Offices

# Administrative Offices

Use our movable walls to create private or open spaces.  
Easily make changes to your space from year to year.

**"When you take that chair  
away and you raise that desk  
up, a world of difference is  
made. Our teachers say that  
it has made a huge impact."**

Eddie Graham, Director of Health and Human Resources  
Union County Public Schools

QuickFlex Walls® (Frosted)

# Common Spaces

# Gathering Spaces

Create comfortable, versatile gathering spaces for students or teachers in common areas.

**"The products are easy to assemble and shipping is fast. It's a great advantage when compared to other manufacturers who have an 8-week lead time."**

Phillip L Spangler, Facilities Maintenance Coordinator  
University of North Carolina

# Cafés

Whether students are studying or eating lunch, we can help you create comfortable spaces.

# Library

Perfect for open spaces, you can use our movable walls to create private learning spaces or offices for administrators.

**42%** of survey respondents  
say that collaborative and common  
spaces have the greatest impact  
on attracting quality students.
