

Vari Tempur-Pedic Upholstered Chair

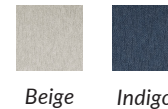

SPACE-AGE SEATING

TEMPUR-Material™, originally developed for astronauts, now brings its signature pressure relief and body-conforming support your workday—keeping you comfortable, aligned, and energized.

ADJUSTS TO FIT YOU

The Vari Tempur-Pedic Upholstered Chair delivers supportive comfort, while the 360-degree swivel, pneumatic height adjustment, tilt mechanism, and smooth-rolling casters make it easy to shift, reach, and move through the day.

FINISHES

PRODUCT HIGHLIGHTS

Adaptive Cushion: The TEMPUR-Pedic® seat cushion adapts to your body's temperature and weight, then returns to shape when you stand.

Polyester Fabric Upholstery: Gives the chair a soft, finished look for home and office spaces.

360-Degree Swivel: Makes it easy to turn, reach, and move through the workday.

Easy Height Adjustment: Helps users find a more comfortable seat height.

Tilt Mechanism: Supports a more relaxed posture when it's time to lean back.

Sturdy Base: Provides dependable stability for everyday use.

Hard Casters: Roll smoothly on carpeted and wood floors.

SHIPPING

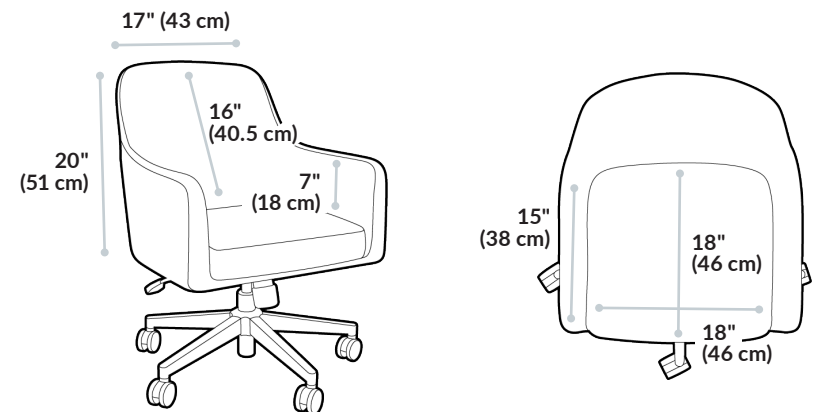

Free shipping in contiguous US.

WARRANTY

Covered by a 5-year warranty against defects in material or workmanship that appear due to normal use.
