Electric Standing Desk with ComfortEdge™ 60x30

Electric Standing Desk with ComfortEdge® 60x30 from Vari® delivers smooth height adjustments, a durable worksurface, and ergonomic front edge for all-day comfort. Built for stability and simplicity, it supports dynamic workstyles with fast assembly and reliable performance.

TOP FINISHES

BASE FINISHES

**Finishes subject to change. Not all desktop and base combinations available. Please visit vari.com for more details.*

FEATURES

Innovative Edge: The ComfortEdge™ slopes softly downward, creating comfortable rest points for forearms, elbows, and wrists.

Swift Setup: Desk assembles in minutes with a pre-installed frame and slide-and-lock leg assembly.

Secure Descent: The drop-stop safety sensor detects items under your desk and immediately freezes motion to prevent damage.

One-Touch Wonder: Customize up to 4 programmable height settings and easily transition between them with one touch.

Luxurious Laminate: The seamless laminate finish simulates hardwood while offering a durable, easy-to-clean, and splinter-free worksurface.

SHIPPING

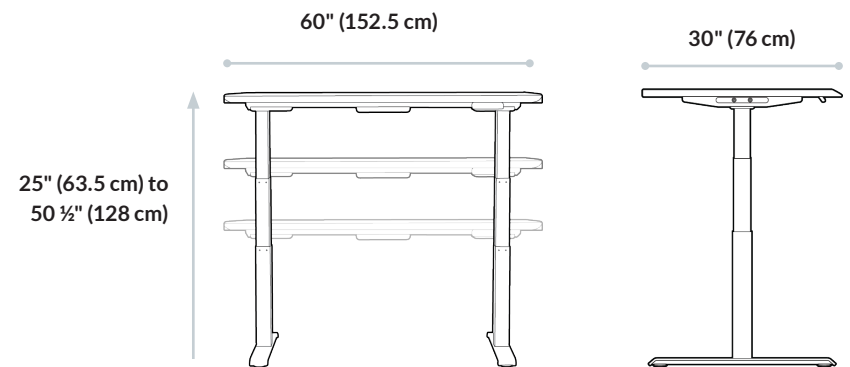

Free shipping in contiguous US. Fulfilled as multi-piece shipments and parcels may arrive separately.

LIFETIME WARRANTY

Covered by a lifetime warranty against defects in material or workmanship that appear due to normal use.
