

Hideaway Desk

vari®

MAKE ANY SPACE A WORKSPACE

This ultra-slim, wall-mounted desk practically disappears when folded and supports up to 100 lb when in use. Durable laminate adds a refined, modern finish.

MINIMAL MEETS INTENTIONAL

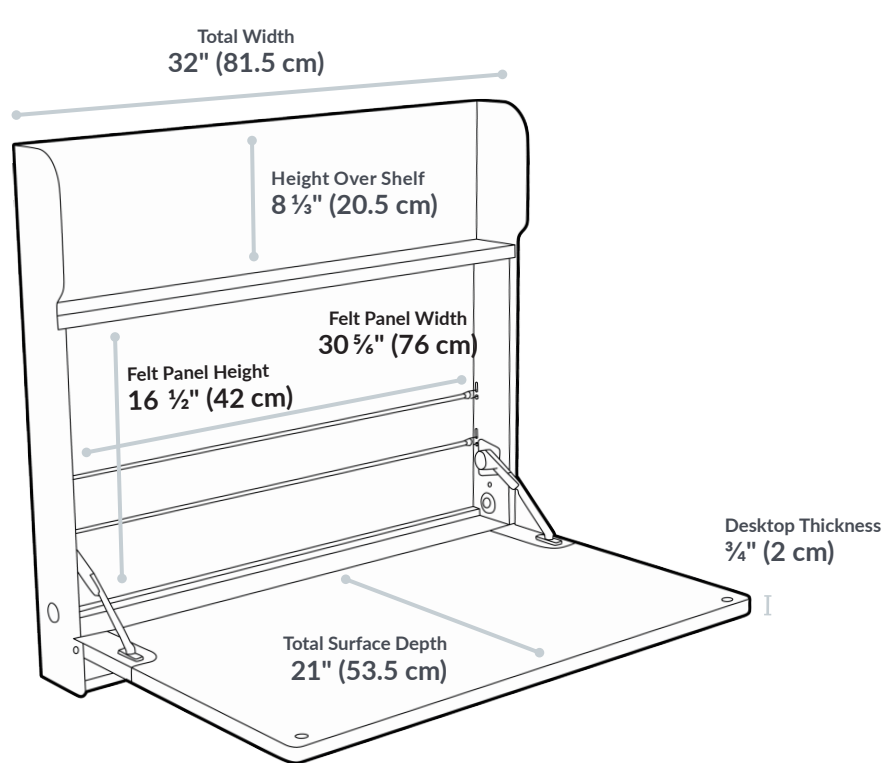

With soft finishes and clean lines, this foldaway wall desk is designed to complement your space.

WALL-MOUNTED, SPACE-MINDED

Interior bungee cords secure your essentials, while built-in cord routing helps you plug in and power down with ease.

PRODUCT HIGHLIGHTS

- **Weight Capacity** – 100 lb
- **Foldaway Functionality** – This Murphy-style solution folds open to make any wall a workspace
- **Slim, Space-Saving Profile** – At just 4 inches deep when closed, this low-profile desk blends into any space
- **Promotes Daily Organization** – Included bungee cords secure laptops and papers, while a PET felt interior protects content
- **Built-In Cable Passthroughs** – Discreet side cutouts route cords cleanly to keep surfaces clutter-free
- **Soft-Down Hinges** – Opens and closes smoothly and quietly – no slamming, just a polished experience
- **Ships Fully Assembled** – Comes ready to install with a cardboard mounting template; must be secured into wall studs
- **Functional Top Shelf** – A slim upper ledge holds lightweight décor or personal items to elevate your space without adding bulk

Total Height
29 1/2" (75 cm)
