

Essential Active Stool

vari®

Designed to encourage movement, the Essential Active Stool is lightweight and easy to move. With a memory foam seat cushion and a waterfall seat-edge that reduces pressure on back of your legs, this stool provides all-day comfort. To keep you active, a tilt design engages your core and legs while seated.

- Fully Assembled
- Memory Foam Seat Cushion
- Air-Lift Piston Makes It Easy to Adjust the Height
- 360-Degree Motion Allows You to Turn in Any Direction
- 250 lb Weight Capacity
