

Acrylic Privacy Panel 30

vari®

This panel helps you create partitioned or separate workspaces. Easily attached to Electric Standing Desks and the Table 60x30, these panels help define single workstations and create a more private working environment, while still allowing for a more open feel.

- Works Seamlessly with the Electric Standing Desk 48x30, the Electric Standing Desk 60x30, and the Table 60x30
- Durable Acrylic with a Frosted Finish
- Easily Attaches to Desk or Table with Included Clamps—No Tools Required
- Fits surfaces with a thickness of 0.5" (1.5 cm) – 1.25" (3 cm)
