EXPERIENCE SPACE-AGE SEATING

TEMPUR-Material™, originally developed for astronauts, now brings its signature pressure relief and body-conforming support to your workday—keeping you comfortable, aligned, and energized from 9 to done.

ADJUSTABLE FIT, PERSONALIZED COMFORT

Dial in your ideal settings with adjustable height, tilt, tension, seat depth, armrests, and back lock. These help relieve sore and tired muscles, improve posture, and reduce strain.

COOL BACK, CLEAR MIND

The breathable mesh back allows airflow to keep you cool, whether working, gaming, or a little of both.
