Ergo Electric Standing Desk 54x26

The Ergo Electric Standing Desk 54x26 is key to a healthier and more productive workspace.

The ergonomic design of the desk's rounded waterfall edge offers enhanced posture and a comfortable place to rest your forearms with less wrist stress. Desktop passthroughs with grommets help organize cables. Expect the same top-tier, commercial-grade benefits of our other electric standing desks, like sturdy T-Style legs, powerful electric motor, and programmable height settings.
