

Acrylic Privacy Panel 60

vari[®]

This panel allows you to create partitioned or separate workspaces. Easily attached to the Table 60x30 or the Table 60x24, these panels help define single workspaces while keeping an open-office feel. These panels can also be used for benching setups.

- Works Seamlessly with 60 inch wide tables
- Durable Acrylic with a Frosted Finish
- Easily Attaches to Desk with Included Clamps - No Tools Required
- Max Clamp Width: 1.25" (3 cm)
