

Keyboard Tray

vari®

The slide-out Keyboard Tray is designed to provide ergonomic comfort and convenience for a variety of Vari desks and tables. With smooth-glide operation and a secure under-desk mount, it keeps your keyboard and mouse within easy reach without taking up valuable desktop space. No assembly needed.

- **Perfectly Positioned** – Easily slides in and out 9.5" for ergonomic positioning
- **Space Saver** – Fits a full-size keyboard and mouse supporting up to 22 lbs (10 kg)
- **Easy to Add** – Installs in minutes thanks to pre-drilled desk drawer holes
- **Universal Fit** – Works underneath surfaces 0.78" (20 mm) or thicker
- **Compatible With** – Pre-drilled holes on Electric Standing Desks (ESD) 48x30, 60x30, 72x30, L-Shape ESDs 80x60 and 80x80 (long side only), Command Center ESD, Table 60x30, and Standing Work Table
- **Not Compatible With** – ESD 40x26, ESDs 48x30 & ESD 60x30 with Undermount Storage, Essential ESDs, and any VariDesk® converters.
- **TAA and GSA compliant**
