

Acrylic Privacy Panel 30

vari[®]

This panel helps you create partitioned or separate workspaces. Easily attached to the Table 60x30, these panels help define single workstations and create a more private working environment, while still allowing for a more open feel.

- Works Seamlessly with 30 inch wide tables
- Durable Acrylic with a Frosted Finish
- Easily Attaches to Desk with Included Clamps - No Tools Required
- Max Clamp Width: 1.25" (3 cm)
