

Slim Storage Seat

A seating and storage solution in one, the Slim Storage Seat features a removable, magnetic cushion that makes it perfect for on-the-spot meetings. Its slim design fits compact spaces, and it rolls easily under any full-size desk. The 2 soft-close drawers are lockable, with plenty of space in the bottom drawer for your letter or legal-size hanging file folders. Built with powder-coated steel and roll-and-lock casters, the Slim Storage Seat ships fully assembled and ready to use.
