

# Standing School Desk K-5

**vari.**<sup>®</sup>

The research-backed design of this desk keeps young students engaged, focused, and healthy in the classroom. Designed for students in kindergarten through 5th grade, it can be set anywhere between 26 to 36 inches high during assembly, and the work surface is slightly angled to reduce eye strain for young readers. The dual-level footrest offers ergonomic comfort and the smooth, rounded desktop edges and corners make it safe and comfortable in any active classroom. The durable, sealed laminate desktop includes a convenient pencil groove and can also be used as a whiteboard for note taking and collaboration.

- Dual-Level Footrest
- Non-slip footpads protect floors and are adjustable for easy leveling
- Bag Hook Included
