

vari.[®]

Vari® started as a sit-stand solution to relieve pain and improve productivity. Today, we're creating flexible workspaces that elevate people through our full collection of office furniture and simple buying process.

From furnishing a home office to outfitting an entire company, we've created a better way to buy furniture without sacrificing quality for convenience.

A Flexible Solution

We design and manufacture all of our furniture and accessories, and we offer complimentary services like space planning and installation.* From concept to completion, you work directly with us and we can complete large projects in just 28 days. Plus, everything is simple to order, assemble, and reconfigure as your needs change.

* Free installation on qualifying orders in the contiguous US. See vari.com/installation for more details.

Flexible by Design

Whether designing a socially-distant office or creating quiet, focused workspaces, we've developed flexible solutions that can easily meet your needs now and in the future.

Create Healthy Workspaces

Create a workspace that keeps your team healthy and productive.

1) Maintain Distance

Simple benching using side tables and privacy panels allows for 6ft between employees plus extra protection.

2) Break Up Open Spaces

Transparent QuickFlex Walls® add a layer of separation to shared spaces while still allowing for an open feel.

3) Create Private Spaces

QuickFlex Walls® can also provide fully enclosed private offices for plenty of privacy and protection.

Solutions That Make Change Simple

We know businesses grow and change, and now your workspace can keep up. Our movable walls, mobile marker boards, privacy booths, and more make it simple to create the spaces your company needs. Our wall panels come in clear or frosted writable glass, or in sound-dampening felt, so you can design spaces for privacy or collaboration.

It's Simple to Get Started with Free Space Planning

It all starts with a plan, and our workspace design services are free. Our in-house design team can quickly create solutions customized to your unique needs. Plus, our flexible design philosophy allows us to create spaces that work for you now while still keeping the future in mind.

Transparent Pricing

We've eliminated dealers and middlemen so we can offer affordable, straightforward pricing. And, with the flexibility built into solutions like our QuickFlex Walls®, you can easily create and reconfigure spaces without added labor or construction costs.

Easy to Order

You don't have to find a dealer or wait around for confusing quotes. Call and work directly with one of our account managers or order online—whichever is easiest for you.

Free Delivery and Installation

Our fast delivery and installation means you get into your space and back to work faster. And, since most of our products are ready to ship and assemble quickly, projects can go from order to fully installed for free* in as little as 15 days.

*Free delivery in the contiguous US. Free installation on qualifying orders in the contiguous US. See vari.com/installation for more details. Availability subject to change | Patent and trademark information: vari.com/patents | ©2020 Varidesk, LLC All rights reserved.

Hassle-Free Returns

We believe you're going to love our high-quality products, and we want you to have the chance to try them out in your space. That's why we offer a 30-Day Hassle-Free Returns policy, so you can return your product for any reason within 30 days of purchase. We'll even have it picked up and returned so you don't have to hassle with shipping costs*.

*Orders installed by Vari or an authorized third party are subject to a small restocking fee. See vari.com/returns-policy.html to learn more.

varispace®

Our Real Estate Solution

VariSpace® is designed to elevate the way businesses approach the office. This innovative workspace concept brings first-class amenities and flexible space solutions together in a multi-tenant campus ideal for enterprise-level tenants.

Space-as-a-Service

We offer tenants fully furnished workspaces from 10,000 square feet and above that are move-in ready, so they never have to worry about their furniture.

Flexible Lease Terms

VariSpace simplifies the “traditional” office leasing approach by providing lease terms as short as 3 years, up to long-term options.

Adaptable Workspaces

Tenants work with professional space planners to develop customized floor plans and evaluate workspace usage over time to adjust as needs change.
