

Felt Privacy + Modesty Panel 60

vari®

This panel provides privacy and sound-dampening to your active workspace. Each felt panel mounts directly to your desk or table to reduce visual distractions and hides the desktop and underside of your desk, along with cords and cables. Attaching the panel is as easy as sliding the clamps onto the desk – it requires no additional tools and takes only minutes.

- Easily Attaches to Desk or Table with Included Hardware – No Tools Required
- Durable PET Felt Material
- Works Seamlessly with the Electric Standing Desk 60x30 and the Table 60x30 and 60x24
- Provides Privacy Above and Below Desk
- Fits Surfaces with a Thickness of 1¼" (3 cm)
