

Standing School Desk for Two 5-12

vari®

Wide enough to accommodate two students, this desk features research-backed design that encourages more movement, helps students burn off extra energy, and enhances classroom engagement. Designed for 5th through 12th grade, the Standing School Desk for Two can be set anywhere between 34 to 42 inches high during assembly to accommodate a wide range of heights. The dual-level footrest offers ergonomic comfort and the smooth, rounded desktop edges make it safe and comfortable in any active classroom. The durable, sealed laminate desktop can also be used as a whiteboard for note taking and collaboration.

- Dual-Level Footrest
- Non-slip footpads protect floors and are adjustable for easy leveling
- 2 Bag Hooks Included
- Work Surface Can Be Used as Whiteboard
