FLEXIBLE FUNCTIONALITY

The Privacy Screen Expansion Panel is lightweight and freestanding, letting you easily position it where you need it. Pair it with the Privacy Screen panels and/or additional expansion panels to form lengthier privacy partitions.

WORK IN PEACE

Create a versatile, private workspace with panels that reduce ambient visual noise and distractions in your workspace.

LIGHT AND EASY TO CONFIGURE

Whether zipped together in a line, arc, right angle, or zig-zag or standing as separate panels, this versatile system is essential for a flexible workspace.
